**OTHER**

Dr. John Schell reported on Resolution 1994-1995-12 Naming University Facilities. He discussed Section II, B. (2) No request to name a facility, building, or part thereof for a retired or deceased employee will be considered by the University until two years following the date of retirement or date of death. It has been requested that the name of the Faculty Center for Teaching and Learning be changed to Karen Smith Faculty Center for Teaching and Learning. It has been ruled at the state level that all state universities follow these guidelines. Dr. Whitehouse stated that it is now a local rule and it can be waived. Dr.
Cunningham stated that at the time of the ruling there were political reasons for the state rule. It was recommended to waive the rule and send it to the Faculty Senate in August. Dr. Goodman moved to send it to the Senate in August and Dr. Bast seconded the motion. It was unanimously approved.

Dr. Mullens stated that there has been a problem with senators receiving their Senate information through campus mail, plus the expense. It was recommended to announce in August that all agendas and minutes will be posted on the Faculty Senate website and faculty will no longer receive a hard copy by Distribution F. Senators will continue to receive hard copies. A notice to all faculty will be sent through e-mail UCF-News.

Dr. Mullens also announced that Standing Committee annual reports have not been forwarded to the Faculty Senate Office. It is stated in the Constitution that these reports should be written and delivered to the Senate Office.

The meeting adjourned at 4:55 p.m.
